

Dynamo Tryout Info Sheet

2012-2013 Player Information Form

Thank you for your interest in attending the tryout for Dynamo. Please read the following before attending tryouts:

Dynamo provides a complete training program for youth players of all ages. We have put together a skilled and well balanced coaching staff to provide your children with the very best athletic, personal, and team growing experiences possible. Beginning with Academy age kids, we endeavor to teach the tactical and technical aspects of the game but most importantly, we nourish their love for the game.

This continues as the kids grow older and we begin to round out their game by providing specialized training for individual positions, strength & conditioning, and a high level of competition. We also take a unique approach to teaching the tactical side of the game. We encourage the teams to have film sessions where the team can sit down together and see themselves play as a team from an outside perspective. We continue to teach tactics by allowing them to assist a more experienced coach/trainer as they work with the younger age teams.

We expect dedication and respect between your teammates, the coaching staff and most importantly to your families. Just as it takes a team effort to find success on the soccer field, successfully navigating the maze of life also takes a team. Your team for the game of life is your family and we as a soccer club do our best to respect your family time.

As each player, coach and parent gives their personal pinnacle effort to achieve success, we as a club will ultimately find success in being a catalyst for developing and strengthening the youth as individuals and soccer players.

THE LINK BELOW WILL TAKE YOU TO A FORM WHICH SHOULD BE FILLED OUT AND PRINTED TO BE TURNED INTO THE TEAM ADMINISTRATOR UPON ARRIVAL TO TRYOUTS.
